Quality, Environment, Health & Safety (QEHS) Policy

Little Footsteps School is committed to providing a safe, healthy, and high-quality educational environment for students, staff, and visitors.

We aim to foster a culture of continuous improvement, environmental responsibility, and safety awareness.

1. Quality Commitment

- Provide high-quality education aligned with CBSE standards.
- Promote innovation, creativity, and holistic development in students.
- Ensure well-trained teachers and staff to deliver excellent education.
- Encourage feedback from parents, students, and staff for continuous improvement.

2. Environmental Responsibility

- Promote eco-friendly practices like reducing paper use and encouraging digital learning.
- Implement waste segregation, recycling, and energy-saving measures.
- Maintain green spaces within the school premises to foster environmental awareness.
- Educate students on environmental conservation through projects and activities.

3. Health & Hygiene

- Ensure clean and hygienic classrooms, washrooms, and play areas.
- Provide safe drinking water and promote healthy eating habits.
- Conduct regular health check-ups and awareness programs.
- Implement strict protocols for illness management and emergency medical care.

4. Safety & Security

- Maintain a secure school campus with CCTV surveillance and trained security personnel.
- Conduct regular safety drills (fire, earthquake, lockdown) to prepare for emergencies.
- Ensure child safety through proper student pick-up/drop-off protocols.
- Train staff and students on first aid and emergency response.
- Self Defence

5. Compliance & Continuous Improvement

- Adhere to all legal, CBSE, and safety regulations.
- Continuously improve QEHS practices through audits, training, and evaluations.
- Encourage participation from staff, students, and parents in maintaining QEHS standards.

We, at Little Footsteps School, pledge to uphold this policy and work towards creating a safe, sustainable, and enriching learning environment.
